<sup>1</sup> The BIRNS item number, which consistently cross-references on all BIRNS documents, including drawings, Manuals, and Bills of Material.

<sup>2</sup> The quantity of the item used in each Model 4012 BIRNS Sirius Lighting System.

<sup>3</sup> Whether or not BIRNS recommends that you keep a spare of the item in stock. (Fractional quantities <1/5 are not deemed necessary to stock spares.)

<sup>4</sup> The quantity of the item recommended as spares for each Model 4012 BIRNS Sirius Lighting System. (Fractional quantities represent partial spares; e.g. "1/5" denotes a recommendation of one spare for every five lights.)

<sup>5</sup> The average delay (lead time) for the item, in weeks.
